

# Promote your company by advertising on the AWEA web site

**Target potential clients in your industry for just \$150 per year!**

Add your company logo and contact information to the AWEA web site and reach environmental professionals, municipal system operators, industrial operators, environmental engineers, state regulators and other individuals in environmental occupations.

Your company information displayed on the AWEA web site will include:

- Your corporate logo
- Address, phone, fax, email
- A short sentence describing your company's products/services
- A link to your corporate web site

Fill out the form below and send with \$150 payment to:

Zane Hood  
President, AWEA
