

NEW CONFERENCE DATES

May 2 - 5, 2021

Frequently Asked Questions

If I've already registered, do I need to re-register?

No, registrations have been transferred to the new conference.

What if I'm unsure if I can attend on the new date?

We ask that you maintain your registration until you are able to confirm whether or not you are able to attend.

What if I cannot attend on the new date?

We would prefer to transfer registrations between individuals within the same organization. If the organization can no longer attend the conference, then a refund will be granted.

I received a cancellation notice from the hotel. Do I need to reserve my room again?

Yes, all attendees should use the links on the AL/MS Water website to reserve hotel rooms for the new conference dates.

How do I participate in the planned technical conference and/or web-based training?

Conference planning staff and volunteers will be reaching out to sponsors, exhibitors, and presenters in the coming weeks regarding planning training/educational events.

Will conference schedules, including technical program remain the same?

At this time, the conference schedule will remain the same as planned for the August conference. Conference program committee members will confirm days/times of presentations leading up to the May conference.
